LOSABLE BONUS
Terms & Conditions

1) Definition

a. The Losable Bonus is a **non-withdrawable** promotional credit provided solely for trading purposes.
b. This bonus is designed to enhance margin availability but **can be lost** during trading activity.
c. By accepting this bonus, the client fully agrees to all conditions stated herein

2) Entitlement

a. The issuance of any bonus is subject to internal approval at the sole discretion of the Company.
b. No bonus shall be considered granted until such approval has been confirmed. Bonuses are available only for selected live trading accounts, as determined by the Company. The Company reserves the right to determine account eligibility without prior notice.
c. Unless explicitly stated otherwise, each client and/or trading account is eligible to receive only one bonus.

3) Nature of the Bonus Credited

a. The Losable Bonus is credited to the client's account solely as additional margin and may be used to support open trading positions. It does not constitute a deposit or part of the client's actual account equity.
b. The Losable Bonus is non-withdrawable and shall not, under any circumstances, be converted into cash or transferred to the client's withdrawable balance.
c. In the event of trading losses, such losses shall first be deducted from the client's own deposited funds. The bonus amount shall only be utilized once the client's real balance has been entirely depleted.

4) Withdrawals and Cancellation

a. Any withdrawal request—whether partial or full—will result in the immediate and full removal of the Losable Bonus from the client's account.
b. Following the removal of the bonus, any open trades that rely on the bonus as margin may be subject to automatic closure or stop-out due to insufficient margin. The Company shall not be held liable for any resulting losses.

5) Profit Withdrawal

a. Profits generated solely through the bonus without exposure of client funds are not eligible for withdrawal.
b. GODO will only approve profit withdrawals when the client has:
   i. Used their own capital in active trading, and
   ii. Demonstrated genuine trading activity with acceptable risk behavior.
c. Bonus funds cannot be used to generate risk-free profits. Profits derived from low-risk strategies (e.g., hedging, latency exploitation, or one-sided trades) will be cancelled.
d. GODO reserves full discretion to:
   i. Request trading history to verify genuine account usage,
   ii. Cancel profits and/or bonus if abuse is suspected,
   iii. Reject profit withdrawals without prior notice.
e. Any attempt to withdraw profits without meaningful use of real funds will be treated as bonus abuse, and the account may be permanently restricted.

6) Prohibited Practices

a. **Abuse of Bonus Funds**

i. The use of scalping strategies, latency arbitrage, or any form of system abuse involving bonus funds is strictly prohibited.

b. **Hedging Restrictions**

i. Hedging between multiple accounts, including but not limited to third-party accounts, is not permitted and will be considered a violation of these Terms and Conditions.

c. **Enforcement and Penalties**

i. In the event that such prohibited practices are detected, GODO reserves the right to take immediate corrective action, which may include but is not limited to:

a. Cancellation of all profits derived from the misuse of bonus funds;

b. Full revocation of the bonus;

c. Permanent suspension or termination of the client's account without prior notice.

7) Validity and Expiry

a. The Lossable Bonus is valid for a period of thirty (30) calendar days from the date it is credited to the client's account, unless otherwise specified by the Company.

b. Upon the expiry of the validity period, any unused portion of the bonus will be automatically removed from the client's account without prior notice. The Company shall not be held liable for any consequences arising from such removal.

8) Stop-Out and Bonus Forfeiture

a. **Liquidation of Bonus-Only Accounts**

i. In the event that an account reaches the stop-out level and only bonus funds remain, the account will be fully liquidated, and the bonus will be considered forfeited. The account will be marked accordingly as "Bonus Lost."

b. **No Recourse for Lost Bonuses**

i. Clients shall not be held liable for the recovery or reimbursement of any forfeited bonus amounts. Such amounts shall be deemed non-recoverable and permanently removed from the account.

9) Amendments & Discretion

a. **Right to Modify**

i. GODO Capital Market reserves the right, at its sole discretion, to amend, suspend, or terminate the bonus program or any of its terms and conditions at any time without prior notice.

b. **Misuse and Enforcement**

i. Any misuse, abuse, or attempted manipulation of the bonus program will result in immediate disqualification from the program and may lead to the suspension or permanent closure of the client's trading account.
